

# It's all about our NEW look!

At our June meeting, we unveiled Chapter 44's updated logo. We are keeping the best of Hugh Jones original artwork, and combining it with the internationally recognized logo known by EAA members and aviators around the world. This logo will proudly announce to the world our presence at the Brockport airport, boldly displayed 8 feet high and 10 feet wide on the south side of our building, facing the runway and Colby Street. Another sign will face towards the access road for those who arrive by car.

And now, we can all wear this logo proudly on the new EAA Chapter 44 Wearable Collection! You may recall I conducted an informal survey recently, asking what our members want to wear. With that information in hand, I have negotiated special pricing for our first order, promising us high quality clothing at a very affordable price! Also, as requested by our members, we have added "Rochester NY" to the logo embroidery so folks will know where you are from as soon as they see you.

Our clothing will come from the Queensboro Shirt Company; an "on line" and "brick and mortar" firm located in Wilmington, North Carolina. They have been in business for almost 20 years, and offer a broad selection, quality product and an attractive price point. You can look at the exact items we are ordering by going to [www.Queensboro.com](http://www.Queensboro.com). To find the exact styles we are featuring, just type the four digit style number in the search box located in the upper left corner of the screen. We will be able to order more clothing later on, but the more we order on our initial order, the bigger the savings. From T-Shirts to Oxfords, Ladies Polos to Sweatshirts, Jacket to Duffel bags, we have it all. Have a look and get ready to dress sharp!

**YOUR ORDER MUST REACH NORM ISLER BY SATURDAY, JULY 24. BRING IT TO THE MEETING TUESDAY, JULY 20!**

The special pricing I have secured will apply to our first order which must be placed before I leave for Oshkosh on July 25. Please bring your completed order form and check payable to EAA Chapter 44 to the July meeting, or contact me by e-mail, phone, the postal service or pony express right away to make arrangements! We want to get as many pieces of clothing as we can at this discounted price. All items have the EAA Chapter 44 logo embroidered, (not printed!) directly into the fabric. Yes, we can place future orders any time we want four or more items, but it is unlikely we will see prices this low again. Please feel free to contact Norm Isler at 585-638-8098 or 585-729-4024 if you have questions, or need additional information.
