SPORT AVIATION CAMP

August 7 - 11, 2017
Mon. - Fri. 9 AM - 4 PM
Ages 11 - 17
Sport Aviation Center
Brockport Airport

Sport Aviation Camp Activities

- NY & Rochester Aviation History
- Ledgedale Airport Tour
- Aerodynamics-How an Airplane Flies
- Building & Flying a Model Airplane
- Aircraft Instruments
- Airspace, Air Traffic Control, & Airport Traffic Patterns
- Tool Safety Presentation
- 3 Aircraft Construction Material Workshops: Rag/Tube/Wood, Metal, Composites
- Field Trip to Rochester Airport
- Flight Planning & Navigation
- Flight Simulator Workshop
- View a Variety of Homebuilt & Production Aircraft
- Unmanned Aerial Vehicles- Drones
- How to Stay Involved with Aviation
- Education & Flight Training- High School, College and beyond
- Aviation Organizations & Attractions
- Aviation Careers

Special Note: Chapter 44 will host a separate Young Eagle Rally (a free flight in an airplane) on Saturday August 12 for any camper who wishes to participate. Separate registrations and waivers are required.

These are examples of aircraft construction material projects: a composite clipboard, an aluminum wing section, and a wooden wing rib. Each camper made one of each and took it home.

Send completed application & payment to:

Jeff Peters, Coordinator

262 Parkview Dr.

Rochester, NY 14625

585-233-6880

jpeters2@rochester.rr.com

The camp will be limited to 16 campers. The cost is \$250 (\$225 if paid in full by June 1st), of which a \$50 deposit is due with the camper's application. The balance is due with the completed application materials by June 1st. Cash, check, or money orders made out to "EAA Chapter 44" will be accepted.

A Parents/Guardians Meeting for registered campers will be held prior to the camp.
