

Dear Chapter 44 Members,

The holidays are quickly approaching. Would you like to help those who are having difficulty getting you a gift you really like? Do you want to help contribute to the capital campaign fund?

Ask your loved ones to consider making a donation in your name to the
Experimental Aircraft Association Chapter 44
Sport Aviation Center of Western New York.

All donations will be used towards completing construction of our wonderful aviation education center and helping to fund our chapter's many outreach programs. No donation is too small!

Please show the following letter to friends and family members wishing to give you a gift. A special holiday card will be sent to the recipient and a receipt will be sent to the donor. Donations are 100 percent tax deductible.

Thank you, and enjoy the holidays!
