

Holiday Donations

It's that time of year again. Need a gift-giving idea?
Maybe you would consider a gift in my name to
EAA Chapter 44
Any donation is appreciated and is tax deductible!

Through generous donations, fund raising and hard work we have been able to build a wonderful learning center used to promote general aviation in our community and a center for our instructional and aviation activities. This building supports and accommodates many educational activities such as Young Eagle Events, Summer Day Camps for teens, hosting national aviation organizations and visits from historical aircraft. It also provides a location for our general meetings where we host informative guests and gather with a community of people who share the common interest of general aviation. Not only do we have daily utilities and maintenance costs for this facility but we are continuing our original plans to build a hangar. A hangar will enable us to accommodate still more educational programs centered around building and maintaining aircraft. For more information check our website: eaa44.org

***When a donation is received, a receipt will promptly be sent to you (the donor) indicating the date and amount and a special EAA44 holiday card will be sent for each gift. (Amount NOT stated)**
